

Reu Jin Chey

Profile

Student Pilot for 4 years and has delivered a great number of experiences on single-engine aircraft and twin-engine aircraft with a total accumulated of 256 hours. Having flown with many instructors with exceptional flying skills from many countries such as the United States, Philippines, Myanmar, Japan, and Malaysia and they have helped in contributing my knowledge and skills. Adept at monitoring the performance of safety systems and communicating with air traffic controllers. Able to effectively manage flight deck crews and multi-task to achieve flight success. Willing to learn about the many hardships and the ability to overcome the issue.
